1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: This application is in condition for allowance except for the presence of claims 83-140, non-elected without traverse. Accordingly, claims 83-140 have been cancelled.

STATEMENT OF REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: The key limitation in this allowance is the limitation "a spin injector for injecting spin-polarized hot carriers by a spin-filter effect the spin injector including an emitter; a spin analyzer for selecting the thus injected spin-polarized hot carriers by the spin-filter effect, the spin analyzer including a collector; and a second nonmagnetic electrode layer having a thickness such that the carriers injected from the spin injector pass through said second nonmagnetic electrode layer as hot carriers, one end surface of said second nonmagnetic electrode layer being joined to one end surface of said spin injector, and the other end surface of said second nonmagnetic electrode layer being joined to one end surface of said spin analyzer, a first ferromagnetic barrier layer having a thickness that allows the carriers to be transported by tunneling upon application of a voltage across said first ferromagnetic barrier layer and having a band edge that is higher than a band edge of said second nonmagnetic electrode layer, one end surface of said first ferromagnetic barrier layer being

joined to said one end surface of said second nonmagnetic electrode layer; and a first nonmagnetic electrode layer joined to the other end surface of said first ferromagnetic barrier layer.” No prior art was found that taught this novel device.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
